Employee Onboarding with Homebase

Join your team on Homebase.
There are two ways to accept your invite from Homebase, either through email or text.

---

1 **Open Your Text**
Click on the link from the text message Homebase sent you.

2 **Download the Homebase App**
Open the Homebase app & enter your phone number.
Lookout for a text with your code.

3 **Enter in Your Login Code**
You are now signed into the mobile app.

1 **Check Your Email**
Set your password from the email Homebase sent you.

2 **Set Your Password**
Password must contain one letter, one number, & be at least 8 characters long.

3 **Download the Homebase App**
Sign in with your email & the password that you have set.

Now that you have set up your account, never miss another schedule, message your team, and always be on top of what's going on at work.
